### THURSDAY

Arrival at Niehku Mountain Villa. Possibility to do a short hike in the nearby area on your own before our information meeting and dinner. Welcome meeting around 17.00.

### FRIDAY

Heli-hiking. After breakfast we get picked up by helicopter outside the hotel and flown out to a remote beautiful place where we hike our way back to civilization. This is normally a full day of hiking with distances up to 18 kilometres. During the day you will see stunning mountain views, rivers, lakes, flowers, but most likely no other people.

### SATURDAY

Rombaksturen. Just outside our door is the old navy road that was used to transport goods and people when the railway between Kiruna and Narvik was built. The most beautiful part is from Riksgränsen, where Niehku Mountain Villa is built, down to Rombaksbotten. We will hike 16 kilometres from the hotel to the fjord, continue via boat and then meet our ground transportation which will take us back to the hotel. Possible to do a shorter version, 6 kilometres, by first taking the train to Katterat and hiking the last part down to the fjord.

### SUNDAY

Departure day. We are happy to take you on a short hike in the surroundings, depending on your departure time.

### NOT INCLUDED
